Twenty-three T-3h tanks.    moved out of the Pionier Kaserne toward Zeitz (M 52/K 08) at about 7 a.m. Trucks continued hauling billeting equipment to the railroad station on 17 April. About 400 troops with red-bordered black epaulets and small arms fell in in the barracks yard. The barracks installation appeared to be vacant at 7:30 a.m. on 18 April. Several trucks were parked in the yard moved out of the billeting area toward Zeitz.    a tank unit was still stationed in the Pionier Kaserne.    The units from the Infanterie Kaserne on the north side of Selauerstrasce, had entrained between 15 and 17 April. Billeting equipment was hauled to the railroad station on trucks. About 30 artillery pieces, 1 JS-3 tank and 2 SP guns were lined up in front of the garages on 15 April. Numerous trucks and amphibious cars were in the garages. On 16 April, soldiers with black-							25X
hordered red epaulets loaded billeting equipment on trucks which the railroad station. Forty trucks towed an artillery piece each trucks a 120-mm mortar each. About 100 troops wearing black-bord epaulets assembled in the barracks yard on 17 April. The install almost vacant and the garages were empty on 18 April.  3. The cooperative store on Thornerstrasse was closed to officers of								ve to 10 other red n was

The report indicates that the 17th Gds Tank SP Regt and the 17th Gds Htz Rifle Regt of the 57th Gds Htz Rifle Div from the barracks installation on Selaverstrasse left their quarters, allegedly for a prolonged training period. However, it does not indicate which twoop training grounds the components of the 57th Gds Htz Rifle Div have gone. Advance details of the division have been observed at Kindel since mid-March 1952.							<b>&gt;</b>
